Thank you for your letter of 9 January enclosing

STAT

Although [ ] appears to have an outstanding background for this particular activity I regret that, due to the fact he is not yet an American citizen, it will be impossible for us to consider him for employment. I am sorry he has not been here longer as his language qualifications and experience indicate he might be quite valuable under other circumstances.

I do appreciate having cases of individuals who appear to be fitted for our work referred to me as we never seem to have enough qualified individuals to do all of our various jobs. Thank you again for your interest.

Sincerely,

R. H. HILLENKOETTER
